As a member of the Guyana 2020 Mission Team, I agree to:

1. Prepare for the experience by participating in team orientation sessions.
2. Prepare spiritually for such a mission.
3. Represent my church or place of worship as honorably as I can.
4. Uphold group spirit by cooperating with group decisions and by obeying the few, necessary directives of the team leader.
5. Participate in daily devotions with team members.
6. Share my faith in an appropriate manner while on the mission.
7. Prepare myself physically for the mission.
8. Return to church or place of worship and community and give as freely as I can of my time in interpretation of the mission experience to our members who were unable to go on the mission.

In return, as part of the covenant, I expect to:

1. Grow in my Christian or religious experience and commitment.
2. Experience life as other people live it.
3. Realize a valid contribution to those who need help.
4. Share the joy of service with God's people.
5. Feel the support of the other members of the work team.
6. Enjoy the work experience.
7. Appreciate my church or place of worship, my home and my community.

I have read the Missioner's Covenant above and agree to abide by the guidelines and expectations therein.
