Re: Mission Trip to Guyana June 6-14, 2020

Dear

I am sending you this letter to share with you an opportunity I have to serve on a mission trip to Guyana from June 6 – 14, 2020, with *Friends Reaching Friends*, Holy Sacrament Episcopal Church's mission ministry. I am very excited to serve and would love for you to partner with me in this endeavor.

How can you help you ask? My financial obligation to serve on this mission is **\$1,500**. **I must raise these funds by April 20, 2020.** ***I would be very grateful if you would assist me with your financial support; no amount is too small.***

I would also appreciate your prayer support. Please pray that the team will stay healthy and safe; that our efforts would have a lasting impact on the communities we serve; and that God would use this trip to do immeasurably more than we could ask or predict for these communities and His Kingdom.

Friends Reaching Friends, has been sending mission teams, locally and overseas, for 34 years. **The team going to Guyana** will be providing Pediatric/Adult Medical Care, Construction, a Vacation Bible School Program and Life Improvement Workshops to the communities in the Georgetown area.

Checks may be made payable to "Holy Sacrament Episcopal Church" with MY NAME in the memo line. Please address your envelope to Holy Sacrament Episcopal Church, 2801 North University Drive, Pembroke Pines, FL 33024; Attention Erna Cunningham.

Of note, the Church is a 501 (c) 3 organization and your financial donations are tax deductible.

Thank you in advance for your contribution and in assisting me to reach my goal.

With gratitude,
